PRODUCTS

INFORMATION

MESSAGE TO OUR CUSTOMERS

truWest is a privately held manufacturer of custom athletic apparel. Founded in 1979 to produce high quality team apparel for the American aquatic community. Since then, truWest has become the benchmark of quality, outfitting thousands of athletes from summer leagues to Olympians. Although still deeply rooted in aquatics, our expanding product

lines allow truWest to produce items for various other team sports. Lettering and embroidery embellishments are routine. Custom designs can be received via the fax or the internet. truWest is always creating new products. If you have an idea or would like something that we are not currently manufacturing, please contact us. We listen. All the best wear truWest.

PHONE ORDERS. Please have order ready before you call. See price list for details.

FAX ORDERS. See price list for details.

INDIVIDUALS - SCHOOLS. Whether you're calling just for yourself or for a whole team, we have all styles in all colors in all quantities to fit your needs. Price breaks available for quantity orders.

CONTINUED STYLES. Your style will never be discontinued.

VARIATIONS to existing style is a truWest exclusive. Sometimes your idea can create a new style of your own.

PRODUCTION TIMES are subject to seasonal swings. Larger

items (such as parkas) take longer to make than swimwear. Please call for current production times.

ARTWORK is required for all logos. Camera ready art is preferred. If you don't have camera ready artwork, submit what you have.

PRODUCTS throughout this catalog are shown with embellishments of twill, embroidery or sublimation are for illustrative purposes only. truWest products are sold without embellishments. Embellishments may be added to any product at additional cost.

Embellishments shown on all items in this catalog are for illustrative purposes only and embellishments are charged separately. Nearly everything truWest manufactures is custom made to order. (not stocked) Custom items and embellished items cannot be returned or exchanged.

Assigned ship dates are approximate ship dates subject to production fluctuations are not guaranteed. truWest does not pay for shipping. Shipping terms are F.O.B, shipping point. Transportation insurance for the full amount of the shipment will be secured and billed unless waived in writing. Current rate is \$0.50 per each \$100 of value.

DOMESTIC ORDERS

Minimum domestic order is \$25 of product.

Order by mail

The fastest and best way to order is to provide us a hard copy of your order. Include billing & shipping instructions as well as method of payment, sizes, colors embroidery instructions, etc. & most importantly.....a contact telephone number & email address in case we have a question or need more information.

Order by email

Email orders are currently accepted at: ordering@truwest.com

Order By Fax

Fax orders are accepted 24 hours a day at (714) 891.0551. Be sure the font is large enough to be read at our end.

Order By Phone

Call our toll free truWest™ order center, (800) 322-3669 from within the United States, Canada, and Puerto Rico. Hours are 8am to 5pm pacific time, Monday through Friday. Our experienced and courteous staff can answer all your questions and provide assistance with the numerous options such as fabrics, colors, zippers, linings, sizes, lettering, embroidery and more. We accept cash, checks, money orders, wire transfers, Visa & Mastercard. Purchase orders are accepted from schools and institutions.

INTERNATIONAL ORDERS.

Minimum international order is \$100

Freight for all international shipments is very expensive and must be prepaid! Credit cards are not accepted for any international orders. All international orders must be placed in writing (email, fax, or mail). All payments must be by money order or wire transfer. Funds must be made payable in U.S dollars through a United States bank.

Freight is billed F.O.B. origin. You are responsible for all freight, duties and customs into your country. We will estimate a size and weight and you may arrange the shipment using your favorite means of transportation. Otherwise, truWest uses the outstanding services of United Parcel Service or equivalent and will quote the approximate freight charge when the order is placed.

We are located in Huntington Beach, California, USA. You can reach us by telephone at (714) 895-2444.

"All the best wear truWest"

The ECONOMY parka is our most affordable parka. It offers the materials and workmanship other parka manufacturers use to make low cost parkas. Made of 200 denier oxford nylon with a double water resistant urethane coating, and using overlock and safety stitch construction, this is a good choice when your athlete is likely to outgrow the parka before they could wear it out.

COLORS AND DESIGNS ARE DYED INTO THE FABRIC

USING YOUR DESIGN AND COLORS, WE CREATE YOUR TEAM SUITS. REORDERS AND FILL-INS ARE WELCOME OR

YOU MAY CHOOSE ONE OF OUR DESIGNS, CHANGE TO YOUR COLOR COMBINATION, ADD YOUR NAME AND/OR LOGO TO CREATE YOUR UNIQUE TEAM SUIT !

ARTWORK

Providing Adobe Illustrator CS-2 Vector Format will give us the most efficient form of artwork if your artwork is in more than one color. Any earlier version of Adobe Illustrator, in Vector Format will do. We will work with whatever you provide, but art and/or set up charges may apply. Submit artwork for quote.

CALCULATION INSTRUCTIONS - SEE BOX TO LEFT.

ABOUT OUR FABRICS

Lycra (80 lycra/20 nylon) is still a preferred, great swimsuit & water polo suit fabric but can develop lycra degradation (the appearance of thin spots in the fabric) because fungi can develop under some circumstances. This is not a defect of the fabric, but is a condition that can develop when the suit has been used. Proper care reduces risk of degradation. **HIGH STRETCH.**

"90P" (80 polyester/20 lycra) Less subject to lycra degradation because fabric content is only 20% lycra. Good fabric for swimsuits. Stretch is only slightly less than "Lycra/Nylon" commonly used for competition swimwear. TruWest uses 90P for sublimated swimsuits. **MEDIUM STRETCH.**

Chloroban (100% Polyester). TruWest sublimates Chloroban for Water Polo Suits and caps. Chloroban is low stretch. **LOW STRETCH.**

Trulon (Polyester) is the most durable, non-fade fabric choice for men's Water Polo Suits. Nylon (100% Nylon) The standard for men's durable training suits, and for men's basic double layer water polo suits. **LOW STRETCH.**

Rubber (Men's) Water Polo - slick, shiny patent on jersey. **LOW STRETCH.** The **"Intimidator"!**

Rubber (Women's) Water Polo Suits - polyurethane with jersey backing offers high stretch for fitting "skin tight" / zipper back! Subject to "war wounds" aka gouges in the outside rubber made by opponents fingernails. This suit is well known to experienced water warrior women. It's I.D. is the **"Dominador!"** - **HIGH STRETCH.**

Nylon (Men's) WP500 - **LOW STRETCH.**

truWest competition suits are currently made using Nylon, 100% Antron V, truLon 100% polyester, 80/20, nylon/lycra, poly/lycra 90/10, and 100% polyester with PBT. These fabrics are chlorine and microbe resistant. Swim suits have nude front liners. Some non-zippered suit can be made reversible (double layer).

truWest competitive suits are designed to fit ideal body types of top competitive swimmers, Adjust your size accordingly. If you have any questions, please call one of our courteous and knowledgeable sales people.

Light colored fabrics including white,

grey, gold, orange, and red fabrics become semi transparent when wet so a reversible suit with a dark colored inside fabric is advised for modesty when using these colors.

CONTRAST STITCHING can be added to any suit. Two color contrast stitching is also available.

EMBROIDERED names or logos can be added anywhere.

See our website for availability of roll goods of existing print designs, or see the above sublimation information about having us make a custom designed suit just for your team!
